TO WHOM IT MAY CONCERN

Dear Sir/Madam

AMABHUBESI TRAINING CC AND BROAD BASED BLACK ECONOMIC EMPOWERMENT

An independent BBBEE assessment was conducted of Amabhubesi Training CC during the year ended February 2009. It was confirmed that the close corporation meets all the criteria of an Exempt Micro Enterprise with a turnover less than R 5000 000 as stipulated in the Code of Good Practice, Gazetted in February of 2007. The current turnover still remains under the limit.

Amabhubesi Training CC is not complacent in this regard and fully understands the critical responsibility of all businesses to implement these broad based empowerment principles. The member of the company pays attention to this on a daily basis and already has a number of strategies in place.
